## WHAT IS SAAM?

Sexual Assault Awareness Month (SAAM) is a nationwide effort to bring awareness to sexual violence and to engage the community in prevention.

The theme of this years SAAM is "Together We Act, United We Change" which focuses on enhancing public understanding, amplifying survivors' voices, and empowering us all to work together to end sexual violence.

## GET INVOLVED!

- Participate in a day of action
- Become a business partner to Paint the Town Teal!
- Attend a SACS event
